

BRIAN CAFFREY INTERNATIONAL LTD.

SAFETY STATEMENT POLICY

Brian Caffrey International Ltd. is committed to providing a safe, healthy & environmentally acceptable place of work for its employees. This Safety Statement is aimed at protecting the safety, health and welfare of all employees and any personnel who may be affected by our work activities. It is our programme in writing to manage all aspects of health and safety.

It is based upon:

- the systematic identification and evaluation of all hazards and their associated risks, and the effective control measures to minimise these risks.
- Irish legislation and recognised safety guidelines and standards appropriate to haulage, warehousing and associated activities

Organising for health and safety is a collaborative process between management and employees. It involves establishing responsibilities and relationships which promote a positive health and safety culture and secures the implementation and continued development of the health and safety policy.

Our aims are:-

- To establish and maintain management control within the company
- To promote co-operation between management, staff with safety responsibilities, supervisory staff and other staff.
- To ensure the communication of necessary information throughout the company
- To secure the competence of employees through training and other means
- Proper communications with contractors and others
- Regular review and update of the Safety Statement, at least once per year, reflecting any changes to legislation, regulations or work practices.

All employees are required to read the company Safety Statement, and understand their duties and responsibilities. All contractors are expected to follow health and safety instructions.

Brian Caffrey International Ltd. will take all reasonable practical measures to ensure the safety, health and welfare at work of all employees and others who may be affected by our activities, in fulfilment of its legal, moral and economic responsibilities
