## Why we need the data requested on this form

We collect personal data in order that we may begin the process of opening an account for you to enable us to perform the services that we have been contracted to do on your behalf or for the purpose of general enquires you have submitted.

Caffrey International are committed to ensuring that the information that we collect and use is appropriate for this purpose and does not constitute an invasion of your privacy.

## How will Caffrey International use the personal data it collects about me?

We will process (collect, store and use) the information you provide in a manner compatible with the EU's General Data Protection Regulation (GDPR). We will endeavour to keep your information accurate and up to date, and not keep it for longer than is necessary.

## Who we are sharing your data with?

We may employ third-party service providers contracted to Caffrey International that will have access to your data. Any third-party service providers that may have access to your data are obliged to keep your details securely, and to use them only to fulfil the service they provide on your behalf. We ensure that any third-party service providers engaged by us are GDPR compliant.

If we wish to pass your sensitive personal data onto a third party we will only do so once we have obtained your explicit consent, unless we are legally required to do otherwise.

If we transfer personal data to a third party or outside the EU we as the data controller will ensure the recipient (processor or another controller) has provided the appropriate safeguards and on condition that enforceable data subject rights and effective legal remedies for you the data subject are available.

The security of your Personal Data is important to us and to this end we employ appropriate measures on all our systems to ensure that all data is held securely in compliance with the GDPR.

We will not disclose your personal information unless there is a legal obligation on our company to do so.
